Italian Home  
for Children

## Dear Potential Sponsor,

Italian Home for Children was founded more than a century ago to help the most vulnerable young people in the community at that time—Italian-American children orphaned by the great flu pandemic in the wake of World War I. Today, we promote the resilience and well-being of youth, adults, and families of all backgrounds who face mental health and educational challenges. We offer a wide range of highly specialized programs that serve people in a variety of ways.

Our annual Gala, to be held on Friday, May 2, 2025, at Artists for Humanity in Boston, is our biggest fundraiser of the year—crucial to making these life-saving services possible. It's a fun time for a great cause, featuring dinner, dancing, live and silent auctions, and a short program about the importance of our mission. It draws a lively crowd of attendees of all ages, local community leaders from government, healthcare, finance, human services, technology, and education—empathic citizens who care about our kids and their community. Will you join them and become a Gala sponsor?

Our Gala theme is “Growing Together” because we are all about growth: we grow the hopes, coping skills, and academic reach of the children and adolescents we serve, helping them attain a brighter future in the wider community. We've grown—and continue to grow—a wide variety of programs so that as children's needs change, we can continue helping them, right here, in an environment that feels familiar and safe.

As we meet the increasing needs of those we serve, we must grow our financial resources. The Gala is a vital milestone in our year.

Enclosed is information outlining sponsorship opportunities and corresponding benefits. We would deeply appreciate your sponsorship of our Gala! Please pledge your sponsorship by April 1.
